

Why Should Your Staff Attend the AAPACN Resident Assessment Coordinator—Certified (RAC-CT®) Certification Workshop? *

This RAC-CT certification workshop can help your staff develop new skills, while improving staff retention, increasing reimbursement, and improving quality measures.

Skilled Nursing Facilities are struggling to attract and retain staff. What if there was a way to concurrently improve your facilities' financial and clinical outcomes and retrain one of your most valuable staff members? When you invest in your team, they feel empowered and confident to handle any challenge. Empowerment through training and education enhances the relationship between your clinical and administrative leadership.

Why Should You Attend the AAPACN Resident Assessment Coordinator—Certified (RAC-CT®) Certification Workshop? *

Increase your knowledge of clinical assessment and care planning, completion of the MDS, the regulations surrounding the RAI/MDS process, and managing the PDPM by attending an AAPACN Resident Assessment Coordinator—Certified (RAC-CT) certification workshop. Having the RAC-CT credential behind your name shows that you are a knowledgeable and capable MDS professional. RAC-CT certification is the nationally recognized gold-standard in resident assessment in the long-term care nursing profession. By earning this credential, individuals have shown their expertise in skilled nursing facility prospective payment system and minimum data set (MDS 3.0) assessment.

This workshop covers the following content:

- MDS Coding for OBRA and PPs, parts 1 and 2
- OBRA Timing and Scheduling
- Care Area Assessments
- Introduction to Medicare Part A
